BROAD STREET CHRISTIAN CHURCH

59-60 YEAR BOOK

To all who are Spiritually weary, and need rest;
To all who have neglected to Pray and yet realize
their need of God;
To all who have Sinned and need a Savior;
To all who seek a closer walk with Christ;

This Church opens wide its doors,
and in the name of Christ
the head of the Church
bids you welcome.

July 28, 1960

On June 30th our Brotherhood completed the ten year program of Advance. July 1, 1960, marks the beginning of the Decade of Decision. It is significant that we pause and look at some of the accomplishments. Within the pages of this book you will find a listing of the members. Reports of the various groups and organizations within the framework of our church organization.

Unfortunately, in compiling reports of this nature, they consist all too often of numerical or financial tabulations. Space would not permit, nor would words be adequate to tell heartbreak and sorrow that was involved in many of the projects; of the joy, happiness and delight resulting from the very same tasks.

If you have been an active member in the church's life and progress, you are better acquainted with these than one who has been in your midst for only three months and you will be able to read between the lines and give living spiritual significance to the columns of numbers and the rows of figures.

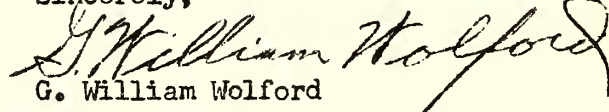

If you are a nominal member and take part only when it is convenient, much of the material herein will be cold, perhaps uninteresting, but it will be impossible for you to read over these pages without being impressed with the development that is taking place at Broad Street.

It has been a year of change and adjustment as you bid goodbye and Godspeed to Rev. M. Elmore Turner. To the memory of his years of service and to the high vision of Mission to which he led this congregation, this first Year Book of the Broad Street Christian Church is dedicated.

Sincerely,

G. William Wolford

There is no doubt that you will find mistakes in the information contained within these pages. It is our hope that you will be considerate enough to inform the church office so that they may be corrected.

It has been a considerable task to assimilate the reports and contents. In many cases the opening words of the Bible are appropriate i.e., "without form and void; and darkness was upon the face of the deep." This is but the foundation upon which we can build. Once again will you help us to bring all of this up to date?

FORWARD

This second yearbook detailing the accomplishments of the past year is dedicated to a very special group within the total life and history of our congregation.

Many of this number will not read these pages with the vision of physical sight but in the assurance of Christian faith we know that they are aware of our continued progress.

Some of this group are no longer able to take an active part in the program because of health that forces them to remain within the confines of their home but this has in no way lessened their concern and interest in a continued witness on the part of their church.

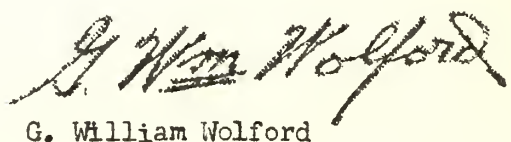

Fortunately a large number of this group are still regular participants in the total life of our congregation. They form a nucleus of dedicated, devoted, and determined individuals who have, and are willing to continue giving their support and influence to the church as it continues to grow and expand.

If it were not for this group today's congregation would not have a place of meeting in comparison to the present building. To their vision, courage, and willingness to launch out, we are deeply indebted.

The Special group constitutes those who with little more than faith, hope, and a love of Christ, dared to undertake the building of a suitable house of worship at the corner of Broad and Bern Streets. Dedication was on the 18th of April 1926.

May God continue to undergrid them in their witness and may His Spirit give the present generation similar courage.

In His Service,

G. William Wolford

A TRIBUTE TO WORKERS WITH YOUTH

During the course of any twelve month period a number of our congregation are engaged in working with the youth of our church. Although these various groups are a part of the total program we are not always conscious of their work and in some instances there may be those who do not know that they even exist other than a listing in the weekly bulletin or newsletter.

Yet these groups contribute greatly to the total influence that the church has on its young people. The three best known groups are our Fellowship; i.e., Junior, Chi Rho, and Christian Youth. These meet weekly, except during the summer months, preceeding our Evening Worship Program.

But in addition to these three groups there is the Scout and Cub Scout Program, also weekly meetings. During the Summer months there is in addition the group listed at the top of this page, our Ball Team.

Now none of these programs could be carried on without the able assistance and guidance given by many of our laymen and laywomen and although their work is seldom brought to the attention of the congregation it is of great importance and we want to express our thanks and gratitude for their commitment of time and talents in this capacity.

I have named none of the above but I would mention one who is no longer in our midst but is continuing his preparation for the ministry at the College of the Bible in Lexington, Kentucky.

GEORGE JOSETH MC CLELLAND came to this church in June 1961 and lived and worked in our community during the balance of the summer. When classes began at Atlantic Christian College in the fall, he continued on our staff as a part-time worker often arriving here on Friday night and leaving early Monday morning.

George worked with our youth and cooperated with the Adult Advisors, and his contribution will be long remembered. We would thank him for his service and express our prayers that the Spirit of God continue to guide him in the coming years.

Information for the State of North Carolina from the

COUNTY BY COUNTY Church Distribution Study

Prepared by the Division of American Missions of the National Lutheran Council, 327 South LaSalle Street, Chicago 4, Illinois.

Based on data gathered and distributed by the Bureau of Research and Survey of the National Council of Churches.

Protestants exceed Roman Catholics 50 to one in membership in N. C. and half of the Protestants in the state are members of the Southern Baptist Churches. Half of the rest are Methodists with the Presbyterian Church ranking third in membership.

Negro population accounts for one-fourth of the total population and analysis of the study must take this into account. It is assumed that half of the Negro population was associated with one of the non-reporting Negro denominations.

This makes the state about 50% unchurched.
Six counties are less than 30% churched.

It is not possible to establish a set of figures and arrive at a total on the growth of spirituality but we know that there is a growing awareness on the part of the total membership of this churches' responsibility here at home and in the world.

Using the number of hours dedicated to giving a Witness for Christ through our very successful Evangelism program and our more recent Financial and Stewardship Campaign as a means of measuring progress, the only conclusion is that a new awakening is taking place within our group.

This view is further underlined by the increased attendance in the worship services. Beginning in September we will really begin to see an increase. However, at present our attendance at all church functions is greater than it has been during the past summer months.

The final tabulations will not be made for many years. How can we judge the importance of the church's influence on the life of a child enrolled in the Church School in early years; or on a youth, following the example of his elders around him, surrendering his life to Christ; or one of mature years who makes the Good Confession. Although I would not suggest that God is a keeper of books I do believe that men who strive to do His will and walk in the way of His Son shall receive a crown of righteousness.

But living the Christlike life is not an easy task. It is all consuming and it requires a lifetime. There is no sign post on the King's Highway reading, "Stop Here". We are always on the move; either forward or backward, upward, or downward. May our movement be forward and upward during the coming year.

FORWARD

This is your copy of the YEAR BOOK of the Broad Street Christian Church giving the names of those who are on our responsibility rolls and the reports of accomplishments during the past year.

Such a listing reveals that at some time in the past all these have made a public confession that "Jesus Christ is Lord and Savior", but it does not indicate participation in the on-going purposes of God as expressed through the true Church, or that those listed herein have actually joined the Body of Christ on earth.

This listing is an accurate report of numbers and facts but it is impossible for such a listing to reveal membership in the Church Eternal. Members of that Church will exhibit many, if not all, of the following characteristics in living the Christian life by their:

attitude and attendance,
benevolence and blessing,
consecration and commitment,
devotion and doing,
eagerness and enthusiasm,
faith and freedom,
grace and giving,
happiness and honor,
industry and intelligence
joy and justice,
kindness and knowledge,
love and loyalty,
mind and money,
neighborliness and nobility,
obedience and optimism
prayers and presence
reason and righteousness
spirit and support
time and talent
utterance and universality,
vigor and vocabulary,
worship and witness,
x-ample and x-uberance,
yearning and youthfulness,
zeal and zest.

It would be presumptuous for the pastor to say who is, or is not, a member of the Body of Christ and the Church Eternal; however, to those of our number who are; this third YEAR BOOK is dedicated.

In His service,

Rev. G. William Wolford

NEW BERN, NORTH CAROLINA

G. WILLIAM WOLFORD, MINISTER

A. ODEN LATHAM, JR. YOUTH WORKER

July 30, 1963

Dear Members and Friends:

Once again we on the staff of Broad Street Christian Church have prepared for your understanding and convenience a listing of those who are on our responsibility roll and the reports of the accomplishments of the various classes, departments, and organizations during the past year.

This is the fourth such publication and seeking to make it of greater significance we have not only listed anniversaries and birthdays, but also the dates when each individual united with the congregation. Many of these dates were hard to ascertain because records for past years are often inadequate or non-existent. If there are any corrections, please notify the office.

If anyone left you an estate of over \$ 30,000.00 and you found that the total amount had been expended within a twelve month period, I'm sure you would want an accounting of what happened to your money.

In one respect this is an accounting of such funds, funds that totaled \$ 33,940.09, entrusted to this Church for proper administration and supervision. This does not include monies received by the Christian Women's Fellowship or spent according to the desires of some Church School Classes -- these are reported individually for your information.

This accounting for the \$ 33,000.00 is the Stewardship record of the Church Board as they sought to expend and use the monies that you as individuals and families have dedicated on the altar of God to Christ and His Church.

Since this congregation is but a part of the Church Universal approximately one-fourth of these funds were used for World Outreach to support our work, the work of Broad Street Christian Church, in all parts of the world as we seek to bring "peace on earth and good will among all men."

May we therefore dedicate this volume to all who seek to join in a united witness for the Kingdom of God.

In His Service,

G. W. Wolford *A. Oden Latham* *Mrs. Marvin Weatherly*

JUNIOR YOUTH FELLOWSHIP YEAR REPORT

During the past year Mrs. Archie Reel and Mrs. Maloye Latham have been helping the Juniors. They have been quite active in their night meetings. When Mrs. Reel took over this position as advisor to the Junior Youth Fellowship, the average attendance was three. During the past year the average attendance picked up to 12 on a basis of 30 on roll. Words cannot express the thanks that is due Mrs. Reel for the time that she has put into God's work. Everyone should be as willing to work and give of their time as she has done.

The Juniors have studied from a book entitled "Junior Programs." The books gave them the opportunity to give the program themselves with the advisors to help them plan their program. This is in keeping with the total youth program of the church. The young people plan and carry out their programs with a minimum of assistance from the advisor. This in turn develops the young person to stand up on their feet and have the lesson and express themselves.

Some of the topics that they have studied during the year are:

ASSOCIATE MINISTER'S REPORT
1963 - 1964

Since beginning my work with the young people of Broad Street Christian Church in the middle of December of 1963, I have been exposed to and enjoyed many new experiences. It has been a real pleasure to work with and for the people here at Broad Street and I am looking forward to continued service with the church. There have been rough spots and smooth times when I was not prepared to carry through plans and times when plans failed to materialize as actions due to poor communication and in very few incidents co-operation.

During the past months I have visited in many homes but I have not called on the families of every child in the Youth Department. I have made 108 calls in this attempt to get to know each family.

In order to promote the Youth Program of the Church, I have relied heavily on the telephone, making 311 phone calls.

On a personal basis and in planning for events, services, and other parts of the program of the church I have been involved in 35 conferences.

In the worship area of church life and youth work I have planned and delivered 20 services.

The past months have been full though they are but a foundation to build a better future for the Youth Groups of Broad Street Christian Church. I am looking forward to a relationship of Christian love and cooperation that will make all work of the Youth Department beautiful in the sight of God and useful to His kingdom on earth.

Respectfully submitted,

Carl S. Kusky, Jr.

CHI RHO FELLOWSHIP REPORT

The Chi Rho Youth Fellowship has been very successful this past year, thanks to the active members and leaders.

On January 24 and 25 the Chi Rho held a winter retreat along with the C.Y.F. Here we made plans for the next six months for our Worship, Study, and Recreation. These plans were followed up until the last of June with each person taking his or her part and responsibility of getting whatever he or she was assigned.

The Chi Rho had 12 very active pupils who always took their part on Sunday and at other meetings. Our officers were as follows:

President - Kay Hatfield
Vice President - Ernestine Land
Secretary-Treasurer - Robert Stephens

One of the projects for the Chi Rho was taking baskets of fruit to children in the hospital. Later they received a very nice letter of thanks from the Administrator.

Kay Hatfield, President

CHRISTIAN YOUTH FELLOWSHIP REPORT

The C.Y.F. of Broad Street Christian Church undertook two projects during the past year in order to raise funds for various goals. The most successful of the two and the one most enjoyed by the congregation was the "Cow Palace Supper Club." The proceeds from this and a chicken salad supper amounted to \$260.50 which was put into the Church's general fund and designated for the Christian World Friendship Fund.

The World Fellowship Youth Meet was held at the Vanceboro Christian Church on March 6 and 7. We had 19 young people and four adults in attendance at this meeting.

At the winter retreat held jointly with the Chi Rho the following officers were elected:

President - Bennie Bunn
Vice President - Bobby Anderson
Secretary-Treasurer - Mary Lee Baldwin
Worship - Sandra Mumford
Study - Janice Mumford
Service - Robert Brooks
Enlistment - Katina Leris.

These officers have served for one full year very faithfully. We are now looking forward to our summer retreat.

The C.Y.F. also participated in the Worship Service on February 2, Youth Sunday, and at the Evening Worship Service on March 29 at the Easter Communion. They also took part in the "Hootenanny" presented by the Membership Department at a congregational dinner.

"Lead By The Spirit"

CHURCH PHONE 638-1216

IT IS A JOY AND A PRIVILEGE TO PRESENT TO YOU THE
SIXTH ANNUAL DIRECTORY OF BROAD STREET CHRISTIAN.
IN THIS MANUAL YOU WILL FIND PERTINENT INFORMATION
ABOUT WHAT YOU AND OTHERS HAVE ACCOMPLISHED THROUGH
OUR FELLOWSHIP OF BELIEVERS. YOU WILL HAVE READY
ACCESS TO THE ENTIRE MEMBERSHIP OF THE CHURCH. WHY
NOT PLACE YOUR COPY IN A CONSPICUOUS PLACE WHERE IT
CAN BE REFERRED TO DURING THE COMING MONTHS....

Many hours and much expense have gone into the preparation of this manual. Whether or not the time and money spent for such an undertaking was worthwhile will depend in large part upon what you and the other members of our church do with the material contained herein. It is hoped that various Departmental members will study the work of the past year and seek to accomplish additional projects that need to be provided. That all members will become better acquainted with the wide variety of expression that is offered to witness for Christ and will respond when called upon to serve or participate in our forthcoming programs.

THIS CHURCH

This church is dedicated to the enrichment of life.
It provides a house beautiful and commodious for all who make it their church home.
It treasures the religious wisdom and traditions of the ages and makes them available for people today.
It provides a fellowship of kindred minds that makes for happier and better living.
It celebrates the life we live today and points the way to its improvement.
It brings the resources of religious experience treasured in the Bible to bear on our every day lives.
It saves people from their meaner, baser selves to their better selves.
It believes that life is to be enjoyed rather than endured.
It promotes human happiness.
It constantly hymns the great ideals of truth, beauty, and goodness.
It offers a cordial hand to every comer.

for WORSHIP

I

Worship begins as I close the door to my home. On my way, I pray for my church, for the minister, and for those who worship far and near ...

II

Before I enter the house of God, I pause a moment that I may cast off and leave outside all things and thoughts unbecoming to a child of my Heavenly Father: hates, grudges, frettings, worldly cares, and sinful thoughts ...

III

The moment I enter the door of this sacred house I cease all conversation. I come in silence, for great things arise out of quietness and minister to me and to those about me ...

IV

As soon as I am seated, I bow my head in prayer. I pray for others as well as for myself. I pray for my church and its great causes. I ask God to be near me now.

V

I join in the singing of hymns and bow my head during the amen. I think about the words of the sermon and let their meaning and spirit go down to the roots of my soul ...

VI

As I lay my offering on the plate, I say a prayer of thanks for my money and I ask God's blessing on its use here and in the uttermost parts of the earth ...

VII

Throughout the service I think of God objectively. As power, peace, strength, love, He is all I need for life as it should be ...

VIII

I listen as my minister preaches from God's Word and I seek to apply his message to my life. I pray for him as he preaches ...

IX

When the service has ended, in Christian friendliness I speak to those whom I know and also to those who are strangers to me ...

X

As I pass through the outer portals I dedicate my life to walk this week the high road with Christ ...

If all members keep their appointment the Elders will make an average of three Calls, the Deacons two, except for those listed as on call for 1967. Each member is asked to give careful and prayerful consideration to these appointments and to make any plans or scheduling of activities with the above dates in mind.

Laymen making these calls will be expected to do this in addition to their regular responsibilities. Our EVANGELISM DEPARTMENT is made up of relatively few members of the Church. To help direct and co-ordinate our efforts each of us should have a definite concern for this witness.

You can help by inviting friends to the Church, by calling on new people in the community and those who have indicated an interest in the Church and invite them into your home. Give the names of people you are "concerned" about to the Evangelism Department. Talk about your Church and the things it is doing as we are "Led by the Spirit."

CHARACTERISTIC BELIEFS
OF THE
DISCIPLES OF CHRIST

The Disciples of Christ, along with other Christians, have a distinctive position message and fellowship. By their very nature they have never adopted any official doctrines which can be regarded as a standard of orthodoxy. However, there are certain doctrinal emphases resulting from the New Testament position which have been generally recognized and proclaimed. The following characteristic beliefs are generally accepted and understood by those affiliated with what is commonly known as the RESTORATION MOVEMENT, which emerged from the ministry and pronouncements of Barton W. Stone in 1804 and "The Declaration and Address" of Thomas Campbell in 1809.

I
A NON-SECTARIAN MOVEMENT
FOR CHRISTIAN UNITY
WITHIN THE CHURCH

The affirmation by Thomas Campbell that "the church of Jesus Christ on earth is essentially, intentionally and constitutionally one" was a protest against the sectarianism which had divided and weakened the church. This movement, however, was more than a protest. It presented a plea and a plan for unity on the basis of the restoration of New Testament Christianity. It showed that faith in Jesus Christ Himself as the risen Lord is adequate and that all human creeds based upon this premise are superfluous and divisive and therefore should be abandoned.

It is true that this movement has Protestant background and may be considered a movement within Protestantism. However, as Disciples see it, Protestantism in its historical development, has created and perpetuated divisions in the church by adopting human creeds and systems of theology as conditions of fellowship within the church.

It has been the hope of the Disciples of Christ to restore the spirit of Christ as authority instead of demanding submission to councils, creeds or ecclesiastical hierarchies. Therefore, the emphasis goes back beyond the founding of Protestantism to the primitive church wherein the beliefs, practices and experiences of the church in the first century might be used under the guidance of the Holy Spirit as the basis for the reunion of Christians.

Literally, Disciples of Christ believe:

- *The church was founded on the day of the first Pentecost.
- *The church has no other foundation than Jesus Christ.
- *Christ presumably gave His apostles instructions as to the nature and structure of the church.
- *The New Testament records that which represents the mind of Christ and the kind of fellowship His followers should establish through the centuries.

The Disciples of Christ in their plea for Christian unity believe that this can be achieved only where there is recognition of common ground, such as the use of scriptural names with which to designate the church; the practice of only those ordinances which are found in the New Testament; the use of Peter's Confession, "Thou art the Christ, the Son of the living God," when receiving a convert into membership.

CHARACTERISTIC BELIEFS (continued)

Because of the insistence upon New Testament names, practices, ordinances and fellowship, the Disciples of Christ have often been misunderstood and branded as legalists. However, they have always granted the utmost freedom and diversity of opinion with respect to the practical application of organization, methods of doing missionary work and the establishment of those institutions which will implement the larger outreaches of the church.

II THE RESTORATION PRINCIPLE

The Disciples of Christ have always been a Bible people. It is their conviction that the literature of the New and Old Testaments presents a record and revelation leading up to the coming of Christ and flowering out in His birth, life, death and resurrection. The New Testament is regarded as the final authority, containing the authentic word regarding the church, salvation and the Christian life. Disciples seek to restore the church to its unity, purity, and vitality as revealed in the New Testament. It is as though they seek to restore a lovely picture, encrusted with an accumulation of material which has distorted and blurred the original outlines.

Disciples are certain that the church of the first century, as described in the New Testament, was near enough to its founder to bear the marks of those elements which were considered essential for all time; and because of these efforts the church can only achieve its unity by restoring that which was vital to the founder and to the Christians who had first-hand contact with the apostles.

It should be remembered, however, that restoration is a means to the end of unity and not an end in itself. Furthermore, in restoring the New Testament Church, Disciple scholars have been careful to point out the difference between that which was local, temporary and expedient from that which is universal, eternal and imperative.

III THE NATURE OF THE CHURCH

The nature of the church, as regarded by the Disciples, embraces the following:

- *The church is primarily a company of Christians in fellowship for worship, counsel, comfort and encouragement.
- *The church is the corporate witness to the faith of Christians before the world.
- *The church provides direction for the Christian life. Its actions as a deliberative assembly are worthy of respect but are never allowed to obstruct the right of free thought or of further Christian development.
- *Each congregation is autonomous and not subject to any council or other authority.
- *Local churches may engage in a voluntary association for worthy Christian purposes.
- *Each believer or church member, as a true Protestant, has the duty and privilege of facing his personal problems and his spiritual life as his own priest. This he does under the guidance of his own conscience and with due regard for the wisdom and convictions of his fellow-members.

CHARACTERISTIC BELIEFS (continued)

*Membership in the church is the voluntary act of the individual who bases his faith upon the evidence revealed in the New Testament. The believer accepts Jesus Christ as the Son of God and his Savior and accepts the responsibilities revealed in the New Testament.

*Christ is the builder, foundation and head of the church.

*Scriptural names are preferred as designations of the church and its members. Local names, "Christian", "Church of Christ", and "Disciples of Christ" are used interchangeably. Members are called Christians, disciples, brethren, or by any other scriptural name. The term "denomination" is rejected in favor of such terms as "brotherhood", "fellowship", and "communion".

*Disciples of Christ are democratic and congregational. The state and national fellowship of the church is organized for promotional, educational, benevolent and missionary purposes, but it has no authority over the local church. The local church with its board is the governing group. There is no pre-eminence of clergy over laymen.

IV THE SIMPLICITY OF CREED

A familiar phrase used by Disciples of Christ is "No creed but Christ." This implies the Lordship of Jesus and recognized no creedal authority other than the New Testament. The creeds of Christendom are drawn from the fact of Christ and His teachings. They are set in theological or abstract terms and can easily be misinterpreted.

The believer, however, must not consider the simple faith in Christ as the Son of God as a creed without content or as a mere intellectual affirmation. He is expected to become a life-long student of the meaning of his simple statement of faith that he may know the length and breadth and height and depth of Christ as the Christian's creed.

V THE CONVERSION EXPERIENCE

One of the most divisive factors in Christendom centers in the method of becoming a Christian. Barton W. Stone met the issue of extremists who insisted upon conversion by election. At the same time he objected to others who thought that conversion came by a sudden experience. This was an attempt to combat extreme emotionalism in conversion.

Stone came forth with the simple formula of accepting God's grace by a confession of faith based upon the evidence which an intelligent man could understand and accept. This experience by his own unaided efforts; neither can God save him without his own consent and cooperation. Repentance is voluntary and is the condition of receiving God's forgiveness.

Thus, salvation is available to everyone, not to an elect few. Man accepts Christ of his own free will through an intelligent understanding of the facts about Christ, His church and His Kingdom. He may or may not have an emotional experience in doing this, but he has an abiding satisfaction in that he is born a son of God through obedience.

VI THE SCRIPTURAL ORDINANCES

Disciples of Christ believe that the New Testament contains two ordinances: Christian baptism and the Lord's Supper.

CHRISTIAN BAPTISM

Christian baptism is the dramatic and intelligent act of a saving faith wherein the sinner enters into a fuller redeeming experience of union with Christ, His death, burial and resurrection. It is more than a symbol of a salvation previously and completely experienced; it is a step of obedience and an induction into a deep spiritual life.

The Disciples, believing that immersion was the universal practice of the early church, have insisted on that form of baptism for membership in the church. The ordinance of baptism typifies the death, burial, and resurrection of Jesus Christ.

THE LORD'S SUPPER

The Lord's Supper was instituted by Christ on the night of His betrayal. It was observed regularly on the first day of each week as the center of fellowship of the early church. The ordinance became the center of their fellowship and was the testimony of the continued presence of Christ in their midst. Therefore, the Disciples of Christ observe the Lord's Supper upon the first day of each week. It has become the center of fellowship, worship and recommitment to the Lord, Jesus Christ, whom they believe to be present in spirit with them at this appointed time and place.

The Lord's Table is not regarded as being under the authority of the church, either to invite or debar, but it is graciously spread at the invitation of Christ, and the scriptural injunction to "let each man examine himself" is the principle followed. The Disciples practice open communion.

VII THE CHRISTIAN LIFE

Disciples of Christ encourage a GROWING faith. There is a place for "babes in Christ," who are fed with milk and not with meat, but no one expects a Disciple to remain a babe. As soon as he can walk alone he begins to engage in practical expressions of his religion:

- *He is encouraged to obtain a Christian education.
- *He is invited to think on the practical application of Christ to both personal and social problems.
- *He is challenged to have a concern for the world mission of the church.
- *He is expected to engage in good works and to provoke others to do likewise.
- *He is expected to become a personal evangelist.
- *He is taught the Christian attitude toward possession and encouraged to practice Christian stewardship.

The Disciple learns that the possibilities of growth are as endless as the days given in which to live the Christian life.
